## Nylet. How to make your order and pay (UK & abroad).

**FOR FASTEST ORDERING simply phone or email your order and ask to pay by card or PayPal.** We also accept payment via personal cheque expressed in Sterling, Bank or Building Society cheque or Bank Draft, British Postal Order, electronic bank transfer, or cash (Sterling). Please ask if you require help in making your order: please do not send your card details with any order via email or letter, the phone is a safe option for that information and we can speedily action your order. Where items are not stock, such as sails which have to be manufactured, we require payment details and which we action prior to making. Orders: minimum goods value £5. There are no charges for payment via cheque, card or bank transfer.

**Card payments.** Payment accepted via **debit and credit cards**. Card details should be provided via phone and not by unsecure email or post. Encryption can be used.

**Payment via PayPal.** We work out the total cost and PayPal will send the request to pay, thus saving you any hassle. You do not have to have an account with PayPal to use that facility. We add £1.99 or 5.9% (whichever is the greater) to orders.

**Electronic bank transfer;** we will supply details to enable you to pay via this method.

**CHEQUES** must be drawn on a UK Bank and be expressed in Sterling and should be **made payable to 'F.Parsons' (NOT Nylet).** LIMITED CHEQUES. If unsure of the exact total you may make out your cheque estimating the amount but leaving the figures blank and making out your cheque in words "not more than XX pounds." We will fill in the precise amount. Short payment will delay your order. A phone number and/or email address are essential to enable us to contact you speedily.

We reserve the right to amend/change PayPal rates without notice (as advised by our providers).  
 Post/freight rates on the adjoining page replace all previous issues. Select the service you require and see below. Unsure which rate, then just ask (the rates are as much for our own reference as the customer). Order by phone or email and we apply the most economic carriage/post rate for you but see conditions/rates below.

**UK Delivery options. Standard Delivery UK.** No guarantee of same day dispatch, we aim to send parcels within 48 hours of payment being taken. If you would like a tracked service please let us know when placing your order. Full details on attached table.

£3.99 - Royal Mail standard service. This service does not come tracked and takes on average 3-5 working days after dispatch. This service is available for orders (fittings) under £50 value (not sails or tubing, c.f. fin sets or oversize/heavier items). Further options also see tracked service.

£5.00 - Tracked service. Goods (fittings) value £50 to £100. We use Royal Mail, Hermes and DPD/TNT/Interparcel to dispatch parcels on this service. Parcels arrive on average 1-2 days after dispatch (available at increased cost for - sails, tubing and other oversize/heavier items, see individual rates). Tracked service also available for lower value orders via post upon request at time of ordering. Postage charged may vary if any of the items ordered are special order or where dissimilar items necessitate more than one package. In the rare event you do not receive your parcel within 14 working days if you are a UK/EU customer, or 25 working days after dispatch outside of the EU, please contact us in writing/email - frank.nylet@outlook.com

**RETURNS.** Are only accepted if advised and agreed within 3 days of receipt and which must be returned to us within 21 days from date of delivery note/invoice/ advice of despatch. Applies to items not required/ordered in error; does not apply to special order items such as sails/rigs or yacht kits; we make a handling/ restocking charge of £8, or 15% (whichever is the greater) to cover our costs and which amount is deducted from refund. Refunds are made by the method used to make your payment. Postage/carriage/packing costs are not refundable.

**NOTE:** While every care is taken we cannot accept responsibility for loss or damage of customers sails or patterns or other items, either while on our premises or in transit when returned via post or carrier. Parcels and packets sent via post or carrier to destinations at home or abroad can be sent insured to the value of the goods (see above). Any parcel or package returned by the postal authorities or customs, for whatever reason, are only insured against loss or damage in transit. Nylet are not liable for any postal charges where it is required to resend the goods, and in that case the postage/packing/insurance charges will be due from the customer. Please ensure you give us your full address and to especially destinations abroad as addresses must be recognised by both postal authorities and carriers.
