

# ADDITIONAL SAIL LIST.

## The "150 sails" list.

Actually standing to date at over 170 sails! This is a list of the *older* class yachts, plus non-class yachts of various ages, of which we keep sizes/templates from which we can make sail suits. Sails listed in our main price list may or may not be included here.

The designer and/or manufacturer of *some* of the yachts are noted in brackets after the name.

Note asterisk(\*) denotes can be made with the cloth supplied in kit which is ready marked up, otherwise templates will be required please.

This list is not a totally comprehensive listing of yachts however. For very obvious reasons of space saving most of these sails are not priced in our main price list, but please feel free to ask for a price. In the case of gaffers and the like then please flesh out your requirements (such as parallel seaming, bolt ropes, dyed cloth).

Note - # hash denotes templates/dimensions required please, as sizes may vary depending upon build of actual rig.

Please phone or email for a sail quotation and indicating your choice of sailcloth.

### Older class yachts.

#### Ten Rater

Bluefin  
Brilliant  
Clipper  
Cochin  
Cracker  
Flamingo  
Keta  
Moth
